PETITION

MAIL STOP PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Dear Sir:

A Notice of Incomplete Nonprovisional Application was mailed 03 August 2004 for the above referenced patent application. The Notice stated that the application was deposited without specification or drawings. We now submit a Petition to the Notice of Incomplete Nonprovisional Application and evidence in support thereof.

On 16 January 2004, this office submitted the above-referenced application, including specification, claims and abstract, 48 pages, and twelve pages of drawings and one copy of same, and the accompanying paperwork, which is not in question. Attached are copies of items in support of the deposit of these missing items.

Our search of the file wrapper in our office gives every indication that the Application and drawings were submitted with the application. The Certificate of Express Mailing (①copy attached), which was signed both by the attorney of record and the support staff certifying that the items mailed were in the deposit, indicate that the missing items were mailed. The divisional-continuation transmittal form (②copy attached) signed by the attorney of record, indicates that the items were enclosed. Also included herewith is our (③copy attached) returned stamped postcard, date-stamped 16 January 2004, which lists the missing items, and does not contain any note by the USPTO that either the Copy of the application or the drawings were not in the mailed submission received on that date.

The postcard is in agreement with the Certificate of Express Mailing, and Division-Continuation Transmittal Form, that the items were included in the mailing to the USPTO on 16 January 2004.

Enclosed are copies of the previously submitted Application and drawings. Since we do not know if the Pre-Examination Amendment may not have also become separated from the submission, we enclose a copy of the Amendment as well.

In view of the evidence supporting Applicant's contention that the missing items were submitted on 16 January 2004,

Applicant respectfully requests that a filing date of 16 January 2004 be accorded the application papers. Applicant also requests that the enclosed petition fee be refunded.

Respectfully submitted
